

# 10-Hour Construction Safety Course

This **FREE** training will help ensure safety takes precedence at construction sites. To safeguard our youth, we're providing a complimentary safety training program tailored for high school students aspiring to join the industry. Let's equip our students with these essential safety competencies.

### Open to high school students aged 16-18, who:

- Engage in summer construction employment.
- Are graduating and anticipate entering the construction sector.

### WHEN:

Wednesday & Thursday  
 May 8 & 9, 2024  
 Must attend both days  
 8:00 am-2:00 pm

### WHERE:

Portzen Construction  
 205 Stone Valley Dr.  
 Dubuque, IA 52003

### WHAT YOU LEARN:

- Workplace hazard recognition
- OSHA Regulations
- Personal Protective Equipment (PPE)
- Emergency Procedures
- Health & Safety Responsibilities
- Hazard Communication
- And more

### BENEFITS:

- Ability to spot, avoid, and report safety & health risks on the job
- Proves that you completed OSHA-Authorized Training
- Helps you get a new job or keep the one that you enjoy
- Held as an in-person learning environment vs on-line
- Earn your 10-Hour OSHA card
